June is almost here and we're going to celebrate our 37th Birthday by having a potluck and having a special birthday cake. Please come and bring your favorite dish to share but not a dessert ok.

We had a wish that we could advertise our Gallery and now have several opportunities. First is by putting signs outside of Harter House, then Lane Morrell has kindly said we can put a sign on his large billboard by the gas station. Sandy Fearn, Jan Rosenberg, Linda Edge-Dunlap and Kathy Miller have been heading this up and hopefully by spending some money we can rake in the revenues. Lastly we are in the process of ordering tri-fold folders to have to hand out. I am excited are you?

The Meet and Greet in May brought several new members (its only \$15 if you have a spouse that doesn't do art). We need to welcome them and their ideas. We may have tried them before but we don't need to tell them that because it hurts their feelings and they don't feel a part of the Guild.

Our Gallery is looking spiffier due to getting the heater and old air conditioner out. Now to recover where they were there was painting and now covering with the carpet.

I am excited about our Pandora's Box theme. Yvette went to a lot of trouble to do the boxes and stand and give us each a different puzzle piece and number or letter. The outstanding thing is that the winner will get \$100!!!!!!!!!!!!!! I have my thinking cap on do you?

I am excited about my darling little great (did I really say great) granddaughter coming to visit and play with us in June. I will take a week off from doing art and enjoy her parents and Addison. She and her mom are going to the Alpaca Farm on our Guild Field Trip.

I hope this finds you having a fun June month and will see you at the June 19th Party.

SUSAN 😊

Table Rock Art Guild Meeting Minutes May 15, 2017 12:30 P.M.

Donna Gillespie hosted this month's art theme 'Masters and Mentors'. She recommended a book by Nancy Reyner, her mentor. Entries, art work, and knowledge acquired were very enjoyable.

Business Meeting was brought to order at 1:25 p.m. by President Susan Sketers. April, 2017, Minutes were approved as read.

In the Sunshine report, we learned that Helen Long's daughter passed away. Our heartfelt thoughts and prayers are with her and her family.

There are some errors in the member email addresses in the year book. Please let someone know if yours needs correction. A backup system has been implemented so future membership and business data will not be at risk.

There were 41 members present, including one new member, making a total of 90 paid members.

Kathy Miller contacted the Bridge Coffee Shop and she will follow through with negotiations to place our guild art on consignment. The Harter House parking lot cart holder signage is being made and should be visible in the parking lot very soon.

Judy Bell reported on the upcoming trip to Alpaca Ranch. Details can be found on the website.

Displays at one bank were filled. Fall Festival art show marketing material will incorporate all entries. There is a June 1 deadline for membership if you want to be eligible to participate in the Fall Show. There are also other requirements, but you must first be a member by that date.

The billboard proposal was presented to the membership for approval. Cindy Baird made a motion to accept the offer, with the contingency that it will be for 6 months, with the option to renew and that it will be brought before the membership again at that time.

Kathy Miller seconded the motion. The billboard proposal was presented to the membership for approval. Cindy Baird made a motion to accept the offer, with the contingency that it will be for 6 months, with the option to renew and that it will be brought before the membership again at that time. Kathy Miller seconded the motion. Approval was unanimous. A measure of success of our marketing will be evident in increased gallery sales and increased membership. The Bill board will be up as soon as a design is completed by Linda Dunlap and Kathy Miller and approved by the board.

Details for all individual reports can be found in the Art-A-facts Newsletter and/or on the website. Treasurer's report is kept at the gallery and is accessible to all members.

Meeting was adjourned at 2:05 P.M

Respectfully submitted, Karen Pugh, Secretary

ANIMALS & ART
 INSPIRATION FROM THE
 TRI-LAKES HUMANE SOCIETY

Welcome everyone to my world of cats and dogs from the animal shelter in Reeds Spring. When I am in the mood to draw a card or two, I go to the website so that I can get a good look at the animals available at the time. The staff takes wonderful pictures and of course the animals are either standing or sitting or lying STILL so I can pick the perfect picture to use for one of my cards. There is an enormous number of cats and/or dogs to choose from. Perhaps you need permission from the staff at the "shelter" to use their photos for your artwork. I have asked for that, and they have given it to me. Anyway...WHAT A SELECTION!

I draw all my cards on Bristol board prior to scanning them into my computer. I print one and make any changes I think are needed. Thus the process is nearly complete and the cards are ready for sale. I will explain this in more detail at our meeting in June.

And best of all, Tricia Krause from the Tri Lakes Humane Society will be at this meeting after lunch with LIVE examples of what I have been drawing for the last 6 or 7 years! She will have them in crates so you too can see just how beautiful these animals can be to draw.

Getting to Know the Board

Janice Rosenberg

Mixed Medium Artist and Instructor

Janice Rosenberg, a Missouri native who works predominately in watercolor, but expanded her visions into 3-D art through jewelry making and silk scarf canvases. In the early years, photography was predominately used to capture a memory Janice would later paint from. However, now it has become a medium in it's own right within her portfolio.

Primarily a self-taught artist, Janice studied watercolor in St. Louis under the tutelage of Louise Jackson and Zoltan Szabo. Later, after moving to the Ozarks, Jan enjoyed the workshops of Tony Couch and Tom Lynch.

Janice feels art is her inspiration that fills her with wonder and contentment. "There is always another way of looking at something." To share her love of art, Janice is now an art instructor. Her personal gift from a new student is when they have that "aha" moment and understands their art in a new and profound way.

As an active member in the Table Rock Art Guild, Janice has held the positions of President, 2 years and Director of the Table Rock Art Gallery, 4 years. Currently her work may be seen at this gallery.

Masters and Mentors

Thanks to Donna Gillispie for an inspiring program in May.

Card of the Month

The card I chose for this month is Jan Rosenberg's. The card captures the beauty of Table Rock Lake. I sent the card to my friend that had planned to visit me in May. Unfortunately, she broke her ankle packing her suitcase. This card gave her another reason to reschedule her visit. I am sure she will be interested in visiting the gallery when she does finally come. Sending cards from our artists is another way we all can promote the gallery.
