Presidents Message

Dear Artist:

Hope you all had great holidays. It was a little different but it made us thankful for our good health.

Helen and I have been working on some new ideas for the coming years. Hope you will enjoy them. We think it may make you grow your art; we will get to think outside the box.

I would like to thank everyone who stepped up and helped us get through this year. The board was under some unusual times. Thank you again.

We may be adding some Mini Workshops at a later time. If there is any you would like to learn, please let us know.

Please make sure you pay your 2021 membership dues as soon as possible so you will be listed in the yearbook. We are working on it now.

Remember that we have the Children's Art Show coming up in March. Please let Brenda know what you can do to help her out.

Jan O is working on Spring Show. Please let her know what you can do to help. There are many things to do. This is your Guild; we need all of you to help us keep things going. Let make 2021 one of the best years.

Please keep creating art and stay safe. Will see you January 19, 2021.

Happy New Year

Meet this TRAG Artist: Jamie Yeager

Hello Everyone!

My name is Jamie Yeager and I am the new Sunshine News editor for the TRAG newsletter. I moved from Eastern Nebraska to Kimberling City in the late summer of 2019 and absolutely love living here and being part of the community and a member of TRAG.

To offer a little background on me, I work at World Missions Alliance in Branson West. I am the administrative assistant/graphic designer for WMA and we do Christian outreach and mission trips to countries all over the world. To say the least, 2020 was a challenging year but we found wonderful ways to move ahead and help others without being able to travel too much.

I joined TRAG as soon as I moved to southern Missouri. I have always enjoyed art, even as a small child, but I had several years where I put it on the back burner to pursue work and other interests. Now that I have finished school, have a wonderful job, and more time, I am back to working on the things I have loved so much and missed. I like to work with several media, but my favorites are pastels, colored pencils, and graphite and I use these to mostly do landscapes and animals. I also love working with photography and using my graphic design skills to make creative composites like fantasy artwork of pixies and mermaids.

Along with doing artwork, I have taken on the role of the Sunshine News that is in each TRAG newsletter. Feel free to call, email, or text me any health-related news that you would like put into the newsletter. Also, I am starting a "Meet this TRAG Member" series, so I will be reaching out to

TRAG members to get a photo and a little bio about them and their artwork. This will be a great way to introduce new members as well as let new members learn about our regular TRAG members. I am so excited to be part of the TRAG newsletter team and I look forward to seeing you all in the future.

Blessings,

Jamie Yeager
